

# aDapter

Your Blockchain Powered Sustainability Initiative

# aDappter Network

The ledger stores CO2 savings\* and awards aDappter tokens. You can invest these tokens in sustainable projects.

1. Save the Bees

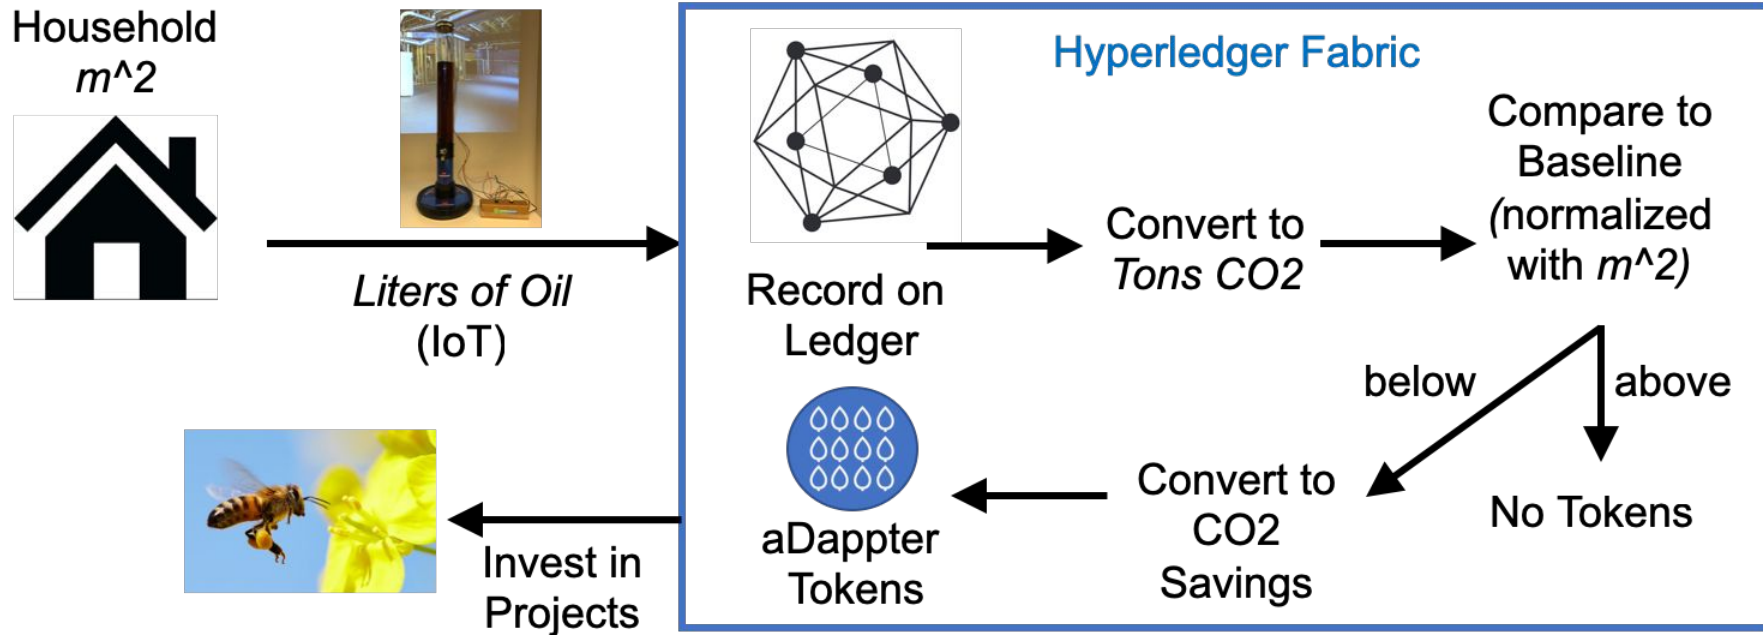

2. Water for Uganda

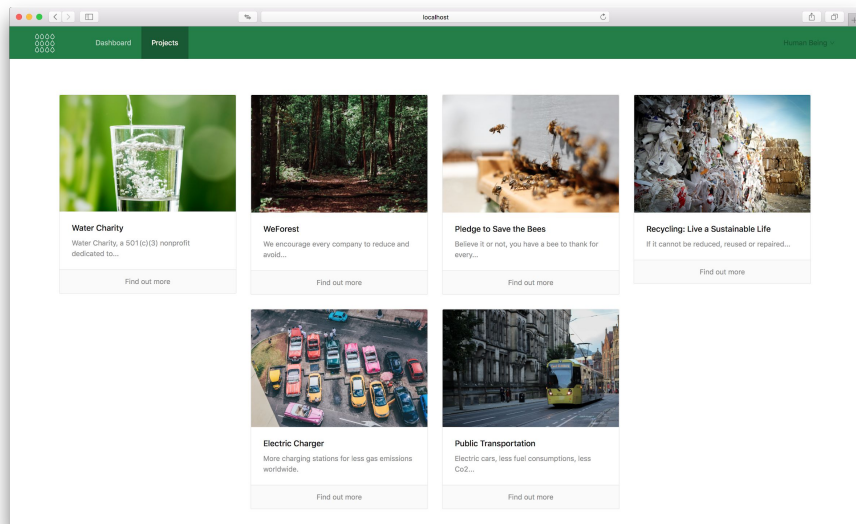

3. Plant Trees

# IoT & Database: Use Case for Oil Heating Emissions

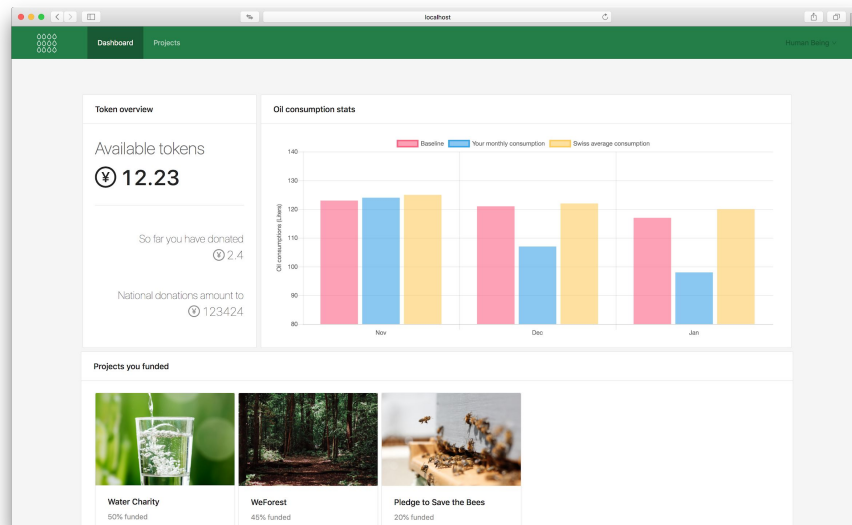

# User Interface: Projects and Dashboard

Projects available for investment

## Dashboard: CO2 emissions and aDappter Tokens

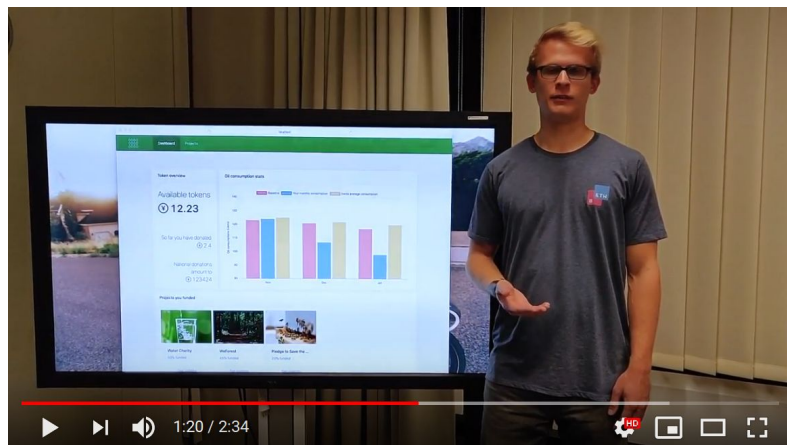

# Demonstration
